EDUCATION

- 09/2021 • **Computer science student**
National School of Computer Science(ENSI) Manouba
- 09/2019 • **Engineering studies preparatory**
Monastir Preparatory Engineering Institute (IPEIM) Monastir
- 06/2021 - 09/2015 • Graduated from the Monastir Preparatory Engineering Institute and ranked 198 out of over 1700 candidates in the national exam.
- 07/2019 • **Bacalaureate in Mathematics**
Soukrine Teboulba high school Monastir

PROJECTS

Monopoly game (Nov 2021-Feb 2022)

Developed and executed a well-known social game, 'Monopoly', using the Qt framework. Implemented various game mechanics, design user interfaces, and rigorously test the game's performance.

Keywords: C++, GUI
